5	Nov 2019 Veley Road landslide, Application submitted to MMAH for Disaster Assistance funding, sourcing potential solutions and costing. Staff to meet at site with Pedersen Construction for their opinion on options/costing. Ministry of Natural Resources to be notified of the issue.	Dec 2019 Staff has been in contact with FACCA, Maccaferri, EXP, and Pedersen Construction for options on site repair. Consensus is that an engineer's report will be required as a first step to determine what actions should be taken, and that the costs to repair will be in the hundreds of thousands of dollars. MNR staff informed us that the MNR does not repair these types of erosion along Township roads, they only provide permits for work being completed near/in the water. MMAH staff are looking at funding options as well as the Disaster Assistance program. Clerk also researching other potential funding resources. Clerk to contact resident to advise against pushing snow into affected area.		Mar 2020 MPP John Vanthof viewed the site, Official letter sent from Council to John Vanthof requesting assistance. MPP currently in discussion with Ministers.	January 2021 Access to funding in amount just under \$500,000 has been approved. Details pending.
